

NO POLYGAMIST IN CONGRESS FOR THESE CHRISTIANS, THANK YOU.

Churches North and South Unite in a Bitter Protest Against Roberts—The Journal's Action Indorsed.

Two Appeals to Congress to Close Its Doors Against the Polygamist.

RESOLVED, That the secretary of this association be directed to present to the Representatives from this State a protest in the name of the thirty-three churches of this association against the right of membership in the Fifty-sixth Congress being extended to Brigham H. Roberts, Representative-elect from the State of Utah. The grounds of such protest are that said Roberts is an avowed polygamist, the husband of three wives, and an open defender of the iniquities and undermining errors of the Mormon Church.

James W. Williams, secretary Rhode Island Free Baptists' Association.—Petition of the Free Baptists of Rhode Island.

WE, the Pastors' Association of this city, humbly and respectfully petition your honorable body not to seat any open and avowed polygamist in the Council Chamber of the country.—Petition to Congress of the Pastors' Association of Chattanooga.

"We are with the New York Journal in its fight against this man Roberts, and commend its action."—Chattanooga Pastors' Association, Chattanooga, Tenn., Jan. 19.—The Chattanooga Pastors' Association, composed of ministers of the city and suburbs, held a mass meeting to-day and drafted emphatic resolutions, which will be presented to Congress, protesting against the seating of Congressman-elect Brigham H. Roberts, of Utah.

Resolutions have been passed by many like associations in the Southern States, but this paper will prove of more than usual interest from the fact that Chattanooga is the Southern headquarters for the Mormon Church. All of the missionaries come to Chattanooga and are assigned to duty from this place.

Several years ago Congressman-elect Roberts was in charge of the Southern headquarters here. Mormons publish a newspaper in Chattanooga in the interest of their cause. It is circulated all over the country and has been defending Roberts.

The memorial, accompanied by a very strong letter, was sent to Washington this afternoon by the Rev. Dr. Bachman. When asked in reference to the petition, Dr. Bachman said:

"It is not the intention of the Pastors' Association to enter politics in any manner, but we are conscientiously opposed to the seating in Congress of Roberts or any Mormon, and we, as pastors, are doing what we believe to be our duty to Christian citizenship. Roberts is an avowed polygamist and he is breaking the laws of God and of the land which he takes unto himself three or four different wives. We do not want any such man to assist in the making of the laws under which we live, and we can only hope that the members of Congress will view the matter in the same light and refuse him a seat in that body. It would be an outrage to seat him. It is our desire to keep Church and State separate and distinct, and all we can do in the matter is to petition Congress in order that we may keep out of politics, and this petition is sent to Washington as the sentiment of the Chattanooga Pastors."

Washington, Jan. 18.—The thirty-three churches representing the congregations of Free Baptists of the State of Rhode Island, through Representative Bull, of that State, have presented to Congress a resolution protesting against the seating of Brigham H. Roberts, of Utah. The Free Baptists' Association has missed the object intended by sending its resolution to Congress. It will go into the executive waste basket March 4, and will not be brought up to face Mr. Roberts in the next House. PETITIONS AGAINST ROBERTS SHOULD NOT BE PRESENTED UNTIL THE NEXT CONGRESS.

Freehold, N. J., Jan. 19.—The fight against the seating of the polygamist Congressman-elect of Utah has been taken up by the churches of Freehold. On Sunday night Rev. H. B. MacCaulley, in his sermon on "Jesus in the House," at the First Presbyterian Church, made a stirring allusion to the Congressman's career as a polygamist. On Tuesday afternoon the ministers of the town met and took a decided stand in the matter.

At the special meeting of ministers, Rev. C. B. Fisher, of the Methodist Church; Rev. L. E. Rogers, of the Reformed; Rev. Theodore Heilig, of the Baptist, and Rev. Mr. MacCaulley, of the Presbyterian churches, were present. They decided to circulate petitions against the Congressman-elect in all the churches next Sunday, and to have similar petitions presented to all the benevolent societies in the town. These petitions, when complete, will be sent by Mayor D. D. Denise to Congressman Howell, to be introduced in the House.

NO EXTRA MONEY FOR FAST MAILS.

Congress Refuses Appropriation for Better Time Between New York and the South.

Washington, Jan. 19.—In committee of the whole to-day the House vigorously opposed all fast mail subsidies and eliminated from the Post Office Appropriation bill the item of \$71,238.75 for special mail facilities on the trunk lines from New York and Washington to Atlanta and New Orleans.

Representative Moody, of Massachusetts, led the opposition to the fast mail item, claiming it was really a proposed gift to the Southern Railroad and that very little more than morning newspapers are carried on these trains.

The friends of the proposition contended that the section was not a subsidy, because for the appropriation a public service would be performed, and the train facilities from New England and New York to the South, Atlanta, Memphis and New Orleans, would be improved. It was argued also that most of the mail carried by these special trains South is en route to Porto Rico and Cuba, where Americans are already opening up the country and should be encouraged by this fast mail system, especially since millions are appropriated for the foreign mails.

The committee divided on this question, and by a vote of 88 to 42 the appropriation for the fast mail from New York to New Orleans was stricken out.

CHILD'S LEG COSTS TROLLEY \$10,000.

Verdict Against the Brooklyn Heights Company Amount to \$43,000 Within a Week.

A Brooklyn jury yesterday valued the loss of a child's leg by trolley accident at \$10,000. This verdict was given in favor of five-year-old Joseph Adams, of No. 578 Central avenue, against the Brooklyn Heights Railroad.

The boy was run over on July 7, 1898, in front of his home and his left leg cut off below the knee.

Only last week a jury gave four-year-old George Froble \$23,000 for the loss of a leg and the loss of the other foot. Former Justice of the Peace Francis McKenna, of Newtown, was awarded \$10,000 damages against the same defendant yesterday. He was thrown out of his buggy on the Fresh Pond road on April 22, 1897, and has never recovered from his injuries. He gave his testimony while lying on a stretcher.

Nervous Dyspepsia.

To Gain Flesh, to Sleep Well, to Know What Appetite and Good Digestion Mean

MAKE A TEST OF STUART'S DYSPEPSIA TABLETS.

No trouble is more common or more misunderstood than nervous dyspepsia. People having it think their nerves are to blame and are surprised that they are not cured by nerve medicines. The real seat of the mischief is lost sight of. The stomach is the organ to be looked after.

Nervous dyspepsia often do not have any pain whatever in the stomach, nor perhaps any of the usual symptoms of stomach weakness. Nervous dyspepsia shows itself not in the stomach so much as in nearly every organ. In some cases the heart palpitates and is irregular; in others the kidneys are affected; in others the bowels are constipated, with headaches; still others are troubled with

How he found relief is best told in his own words: "Some weeks ago my brother heard me say something about indigestion, and taking a box from his pocket, said: 'Try Stuart's Tablets.' I did, and was promptly relieved. Then I investigated the nature of the tablets and became satisfied that they were made of just the right things and in just the right proportions to aid in the assimilation of food. I heartily indorse them in all respects, and I keep them constantly on hand."
